Dear Sir/Madam:

January 1, 2023

We are happy to offer you the opportunity to become a valuable sponsor of our baseball and softball programs offered through Mexico Little League. We are seeking your support to promote our youth in the game of baseball/softball, and encouraging youngsters to participate in local community sports.

We have a simple philosophy of building our youth to become healthy on both mental and physical levels. Our hope is that the team building skills they learn through this program will be utilized throughout their life, to better themselves and their community.

Running a sanctioned sports league in District 8, is a large financial obligation on the families of our players. Your support could significantly reduce this hardship, and allow more youth to participate in our program.

There are different levels of sponsorship based on whether you are a new sponsor to our program, or returning sponsor, please see levels below. I believe that you will be proud of being a valuable sponsor of the Mexico Little League, and we thank you in advance for your support. Play Ball!

Sincerely,

  
Jennifer Bertollini  
President, Mexico Little League

Matthew Lenhart - Vice President, Mexico Little League
