RAINOUTS: If the weather looks too inclement to play, check the weather channel for approaching storms and make a decision at least 2 hours before game time if possible. (Remember some teams have to travel from other locations and may have to leave a couple hours or more before game time to get there in time for warm-ups). It may be a good idea to get an answering machine at your field with an updated status message; people can call in the event of inclement weather. Please use phone calls in all rainout situations, but make ups can be by email, copying all those involved.

LEAGUE FIELD REPRESENTATIVE: The home team coach or whoever is responsible for the field duties at the site of the game being cancelled, should call, the home team coach and the umpires, 2 hours prior to game time if feasible.

Please discuss at that time the best mutual make-up date and confirm new date and time with the home field League Representative within 24 hours of the rained-out game time. In the event that the two coaches are unable to agree on a mutual date, the League Representatives shall assign a make-up date. Please schedule all make-up arrangements through your League Representative, as soon as possible, and at the earliest date possible! Due to time constraints, these games may not be replayed if they are not made up before the playoffs and it is determined that the games will not have any significance in which playoff bracket the teams will be placed, so coaches should see to it that make ups are rescheduled to the next possible open date.
- Double-headers, back-to-back games and volunteer umpires shall not be considered a hardship, so please keep your comments to yourself if scheduled in any circumstance. All test the strength and will of your team, but isn't that why we play the game?
- League Representatives, shall copy the League and the coaches involved in the makeup, for any correspondence in reference to the makeup game so that they may be kept abreast of any developments.
