5-year-old softball players:

To have a 5-year-old child play softball, the parent/guardian must commit to coaching the season/team in which the child plays. The parent can either choose to be Head Coach or an Assistant Coach. The parent/guardian must complete and pass a background check for coaching. If the parent cannot pass a background check, a current 8U league coach will need to agree to accept the responsibility of coaching the 5-year-old player.
