WHY SPONSOR PITT LIGHTNING

On behalf of Pitt Lightning Youth Football and Cheer Organization, we would like to thank you for considering investing in Pitt Lightning and the success of the program. If you or your organization decide to be a sponsor, your generosity and kindness will not be in vain and will be much appreciated. Your contribution will make it possible for us to stay true to Pitt Lightning's mission. Part of our mission is to provide Youth Football and Cheerleading to children who otherwise would have limited opportunities to participate. Pitt Lightning prides itself on never turning any child away due to financial hardship and his or her inability to pay registration costs. Since its inception in 2012, Pitt Lightning has grown from one team with 25 players to over four teams with over 100 players and 25 cheerleaders. Some of our teams have had the opportunity to travel out of state and compete on a national stage. Pitt Lightning's mission to serve is only made possible because of thoughtful contributions from people like you and/or your organization.

Once again, thank you in advance for your kindness, generosity and most importantly your time. We look forward to being able to continue to represent Eastern North Carolina while standing on Pitt Lightning's core values of Integrity first, People before self and Excellence in all we do.
