

Hastings Little League

Spring 2021 Season

On The Field

- Player masks are optional on field, but are encouraged
- Each team maintains their own game balls and rotates as needed
- Do not put game ball in used ball bucket
- Infield/Outfield warm-up balls to be held by position players
- Foul balls retrieved by participants, not spectators
- No personal contact, i.e. high-five or handshakes
- No end of game handshake – Teams will line up on their respective baseline and tip their hats

Field Operations

- Pregame coach/umpire meet must maintain 6 feet distance
- Only one coach in dugout
- Dugout coach will be responsible for inspecting and maintaining a safe environment
- Base coaches will remain outside of the dugout
- Any field maintenance needed should be completed by a coach
- If a player has been determined to not be able to attend to school, they cannot participate in any league activities until they are clear to return to school
- Umpires behind pitchers mound*

In the Dugout

- All participants must wear masks in the dugout at all times
- All players must sanitize hands when entering dugout
- No gear bags stored in dugout
- If a bat or other item is shared it must be wiped down (discouraged)
- Each player should bring their own hydration bottle
- Sunflower seeds or any other food are prohibited in the dugout

Spectators

- No spectators near dugout
- Limit restroom use if possible
- Be sure to have players arrive at designated times (30 minutes prior to game start)*
- Uniontown – Spread throughout outfield while maintaining social distancing
- Zinsser – Spread out beyond infield lines while maintaining social distancing (be aware of players on opposite field)
