

Ohio Bison Baseball - Parent/Player Contract

The rules, philosophies, and procedures that The Ohio Bison Baseball will operate under are outlined in the following pages. Please read through each page closely, as we want you to be fully aware of what is expected of our players and parents. Our goal is to make Bison Baseball a premier organization for individuals dedicated to their craft, community and development.

Mission Statement and Purpose: Ohio Bison Baseball is a travel organization based out of Licking County, Ohio. The program consists of positive coaches with the right experience, whose goal is to promote development and character so that players will be prepared to take their game to the next level on and off the field. We are dedicated to providing committed athletes the opportunity to improve upon not only their fundamental skills as an athlete but also as a positive member of the community.

Colors: Our team colors are Vegas Gold, Teal and Black (primary) but we may have alternate uniform variations that include White, Grey, or colors that support a specific cause (Example: Pink for breast cancer awareness).

If the fee is not paid in full before the date established above the player will be ineligible until their obligations are filled. Fundraising or financing options are

“Join the Herd: Be the Thunder”

available to cover all or some of this investment, the parent should inquire. All payments are non-refundable unless approved by The Licking County Family YMCA.

Player fees cover the expense of tournament fees, league fees, facility fees, player and coach gear, baseballs and various training equipment, coaches pay*, training, designated camps and clinics, practices, practice field maintenance, insurance, indoor facility use, administrative expenses, office expenses and facility memberships, admin expenses and etc.

Additional Costs: Personal equipment costs such as personal helmets, gloves, bats, cleats etc. will be paid by the player/family. We strongly encourage players to wear our team colors or neutral colors that do not clash with our program's colors. Discounts are available on select brands/products through our organization. All travel expenses, meals, facility admission charges and other miscellaneous expenses related to travel athletics are the responsibility of the player/family unless otherwise noted.

Fundraising: Each player will be responsible for selling two (2) individual tickets to our Night at the Races* event. This requirement is done to help us continue building on our scholarship fund, which ensures no player is ever turned away due to their financial inability to pay.

At our organizational meeting and throughout the year we will present a multitude of fundraising options which allow players to help offset program fees or earn money for additional gear. These fundraisers will not be required.

In addition, each individual team might elect to do additional fundraising to help pay for additional tournaments, games, equipment etc. Participation to these fundraisers will be at the discretion of each head coach.

* (or event of similar status as deemed by Ohio Bison staff)

Late Fees:

Late fees are designed to discourage team fees from being paid after January 1, 2021. The only way teams can be properly entered into tournaments, winter training and cover all expenses is when players complete their financial obligation in a timely manner. All late fees will be STRICTLY ENFORCED with ZERO EXCEPTIONS unless you receive written and signed permission of the program director. For any player not paid in full on January 1, 2021 there will be an additional \$100 of late fees applied to the overall balance due every month on the second day of each month.

If your player chooses to leave the program, or is dismissed from the team due to rule violations or disciplinary reasons, these fees and all money paid are non-refundable. In addition any player that chooses to leave or that is dismissed they will not be granted a release from our roster via Nations, COYBL or any other sanctioning or governing body which our program is associated with.

When your team is playing out of town, each parent is responsible for meals and lodging, or makes other arrangements if they are unable to accompany their child on trips. It is not the coaches' responsibility to do so. In some instances such as large out of town events, we may block rooms for our organization to stay at the same hotel, but it's the parents' obligation to fulfill the financial costs.

coached. **This rule will be strictly enforced, any violations of this rule by players, coaches, parents or fans can result in expulsion from the team or team activities. THIS IS A ZERO TOLERANCE POLICY.**

2. During games, parents are respectfully asked to remain at least ten feet away from the dugouts unless asked by the coaches. Players are instructed not to talk to their parents and friend outside the dugout while a game is in progress. Please allow the only adult contact with your child during a game to be the coaching staff. This rule is in place in order to promote an environment that promotes focus and awareness to the game for the players, while also allowing the coaching staff to effectively do their job.

3. Any parent challenging the authority of a Bison coach will be asked to leave the game and or team. **Verbal or physical abuse of coaches will not be tolerated.**

4. Parents that have concerns or questions are required to follow proper procedure.

*Never address the coach before, during, or immediately following a game or practice. Make an appointment, all contact with Bison staff to address issues outside of player safety or well-being must wait a minimum of 24 hours before any appointments can be made. (This includes, text messages, phone calls, all social media as well as in person communication) These are very busy times for coaches and they must stay on schedule.

* Always follow proper chain of command if you have any issues: Player to Coach → Parent to Head Coach → Parent to Coordinator → Parent to Director * Never discuss other players when addressing a concern with a coach.

D. PLAYING TIME

Bison Baseball strives to provide every participant an equal opportunity to demonstrate their skills before competition. A system will be in place to track how many practices, workouts, and individual work sessions an individual put in. These results can be used to determine playing time. **The Ohio Bison is a competitive travel organization, we do not guarantee any amount of playing time. It is the job of our coaches to put the players in positions individually and as a team that allows them the best opportunity for success as a unit. No issues regarding playing time will ever be discussed with any Bison staff.**

The coach, with the direction of the coordinator and the director, will determine the best playing positions for each player. It is the goal of the organization to put players in the best positions in which we feel they will have the best opportunity for success.

The Rules to Winning:

1. Pitching: Throw Strikes – 60% or better first pitch strikes, and 60% or greater overall strikes. This gives our defense a chance to play, we can't defend a walk.
2. Fielders: Make routines plays - through the practice of repeating fundamentals consistently. Any "highlight reel" type plays are a bonus.
3. Hitters: Quality At-Bats, or "QAB". QAB's are a better indicator of success of the individual hitter and team success. There are 9 ways to have a QAB.
