Guide to our COVID Risk Prevention

www.sunnybraell.org

Stay Home If you are ill or have a fever

Maintain 6' social distance

Cover you nose and mouth

Avoid Handshakes, Hugs and Kissing

www.littleleague.org

What are the symptoms?

Illnesses can be mild, or in some cases be severe enough to require hospitalization. Symptoms of this respiratory illness primarily include:

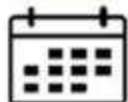

Fever

Cough

Shortness of Breath

Symptoms may show up 2-14 days after exposure

How we are working to reduce risk?

For more information visit

Guidelines for Everyone.....

If you don't feel good, **STAY HOME!**

Those that identify as "high risk" are encouraged not to attend

Practice good practices around hand washing & social distance

Remember we are a family at protect each other!

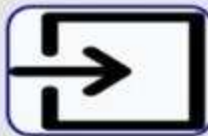

Before you leave home.....

Complete the Screening Assessment 30 minutes before leaving

Arrive at you designated time.

Enter and exit at the designated areas

Only those who are cleared will be allowed on field areas.

Screening Assessment Form

This must be completed and given to your manager or SBL Board Member

Daily Pre-Event Self-Assessment

For use in the Sunnyside Manager office before each game. Return to Sunnyside Manager office after each game.

Player Name: _____ Team: _____ (Select in a space: 1. Practice 2. Game)
