

Delta Sunrise Little League, Inc.  
Stockton, Ca

Dear Parents,

Throughout the season, our players and coaches will be involved in playing and coaching at many different levels. Because we are proud of our program, Delta Sunrise Little League would like to provide local papers with information and pictures of our players performing on and off the field. The league has also established a website and a Facebook page where we will have schedules, information about all the divisions and we would like to include photos of our players in action. Kindly fill out the form below.
