Unfinished Business:

All Stars – Softball:

-Ages 10-12 has 6 players that will play with Montville. Montville will take care of everything.

-Ages 8-10 has 6-7 players that will combine with East Lyme. Sunday night tryout w/ EL, evals by Majors coaches and JVD will be involved. It would be good to have Art involved to be sure Salem girls are treated fairly.

-JVD will send an email out to all minors eligible girls (ages 8-10) about All Stars and tryouts. She also will share a form that she received from EL for potential use to gauge AllStar interest.

JM motions to combine Salem Softball 10-12 with Montville and 8-10 with East Lyme, KW 2nd, unanimously approved.

All Stars – Baseball:

-Majors ages 10-12 proposed to combine with Old Lyme and Ledyard to make a complete team, Salem currently has 3 players interested.

-Minors ages 8-10, will need to reach out to the families to determine interest. It's a really young division this season, a team will be impossible without combining.

-Colchester is a potential town to combine with, confirmation will come within a week or so.

KW motions to combine Salem Baseball 10-12 with Lyme/Old Lyme and Ledyard and 8-10 with Colchester, RL 2nd, unanimously approved.

Old Business:

Scoreboard:

-Mtd looked at the new scoreboard and contacted Anthem to try and diagnose the issue.

End of Season Party:

-Proposed for 6/12?

-Pizza Truck

-Outdoor movie – Sandlot?

-PTO has one and a projector we could borrow, could ask DW about using his sound system.

-JL noted that we would need to get rights to play the movie in public.

-RL asked which divisions will receive trophy's this year.

-TBall players will each receive a trophy. Coach pitch has in the past, but AL noted that it's probably not necessary. AL and KW did certificates and small gifts for each player in CP last season and will continue.

-Discussions were had over the Sportsmanship and Most Improved trophies for PP and above.

-Agreed that only TBall should receive trophies this season.

KW motioned that the league only purchase trophies for TBall for the 2022 season. EA 2nd, unanimously approved.

Summer Camps:

-JM will reach out to the Camp director to see where we stand with registration numbers, to see if the flyers in surrounding towns has helped boost numbers.
